

Centrally located in Louisville, Kentucky, Kitestring is an independent studio built for modern-day production, execution and delivery. We provide Design, Set Build, Stylists, Video, Photography, Interactive Experiences, CG and VFX for film, global events and trade shows. Visit [kitestringviz.com](http://kitestringviz.com) for more info.

Working with the Kentucky Film Office, Kitestring has been the production studio and base of operations for casting, scouting, props, set construction, rehearsals and accounting for major film productions. See the back of this sheet for an overview of our facility and amenities. Contact David Pollock at [davidp@kitestringviz.com](mailto:davidp@kitestringviz.com) or call **502-996-8700** for your next production.

Kentucky makes film location scouting easy with mountains, lakes, cityscapes and other great locations for filming. Competitive film production incentives and a stable of talented crew members make a good deal even better. If you have a question about tax incentives for film production in Kentucky visit [KyFilmOffice.com](http://KyFilmOffice.com) or call **800-345-6591**. Below are a few highlights of Kentucky Film Incentives:
